Call Southern Virginia Home

- Nestled in America's "Top State For Business", CNBC 2019
- Access to over 60% of the US population and 2/3 of the US industrial base within a day's drive
- 19 shovel ready sites 25 acres+, shell buildings 27K – 100K F², & an array of existing buildings
- Home of one of the largest certified Megasites on the East Coast
- Low cost of living with stable taxes
- Variety of innovative workforce training facilities
- More than 40 colleges and universities within a 2-hour radius
- Unique offering of quality-of-life assets

Southern Virginia
REGIONAL ALLIANCE

Strategic East Coast Location

ACCESSIBLE - within a day's drive to more than 60% of the U.S. population and over 2/3 of the U.S. Industrial Base

AFFORDABLE - low cost of living with stable taxes and manufacturing costs 18% below the national average and 40% less than the Western US and Europe

SKILLED - robust workforce solutions with K-12 to education pipeline and customized training centers

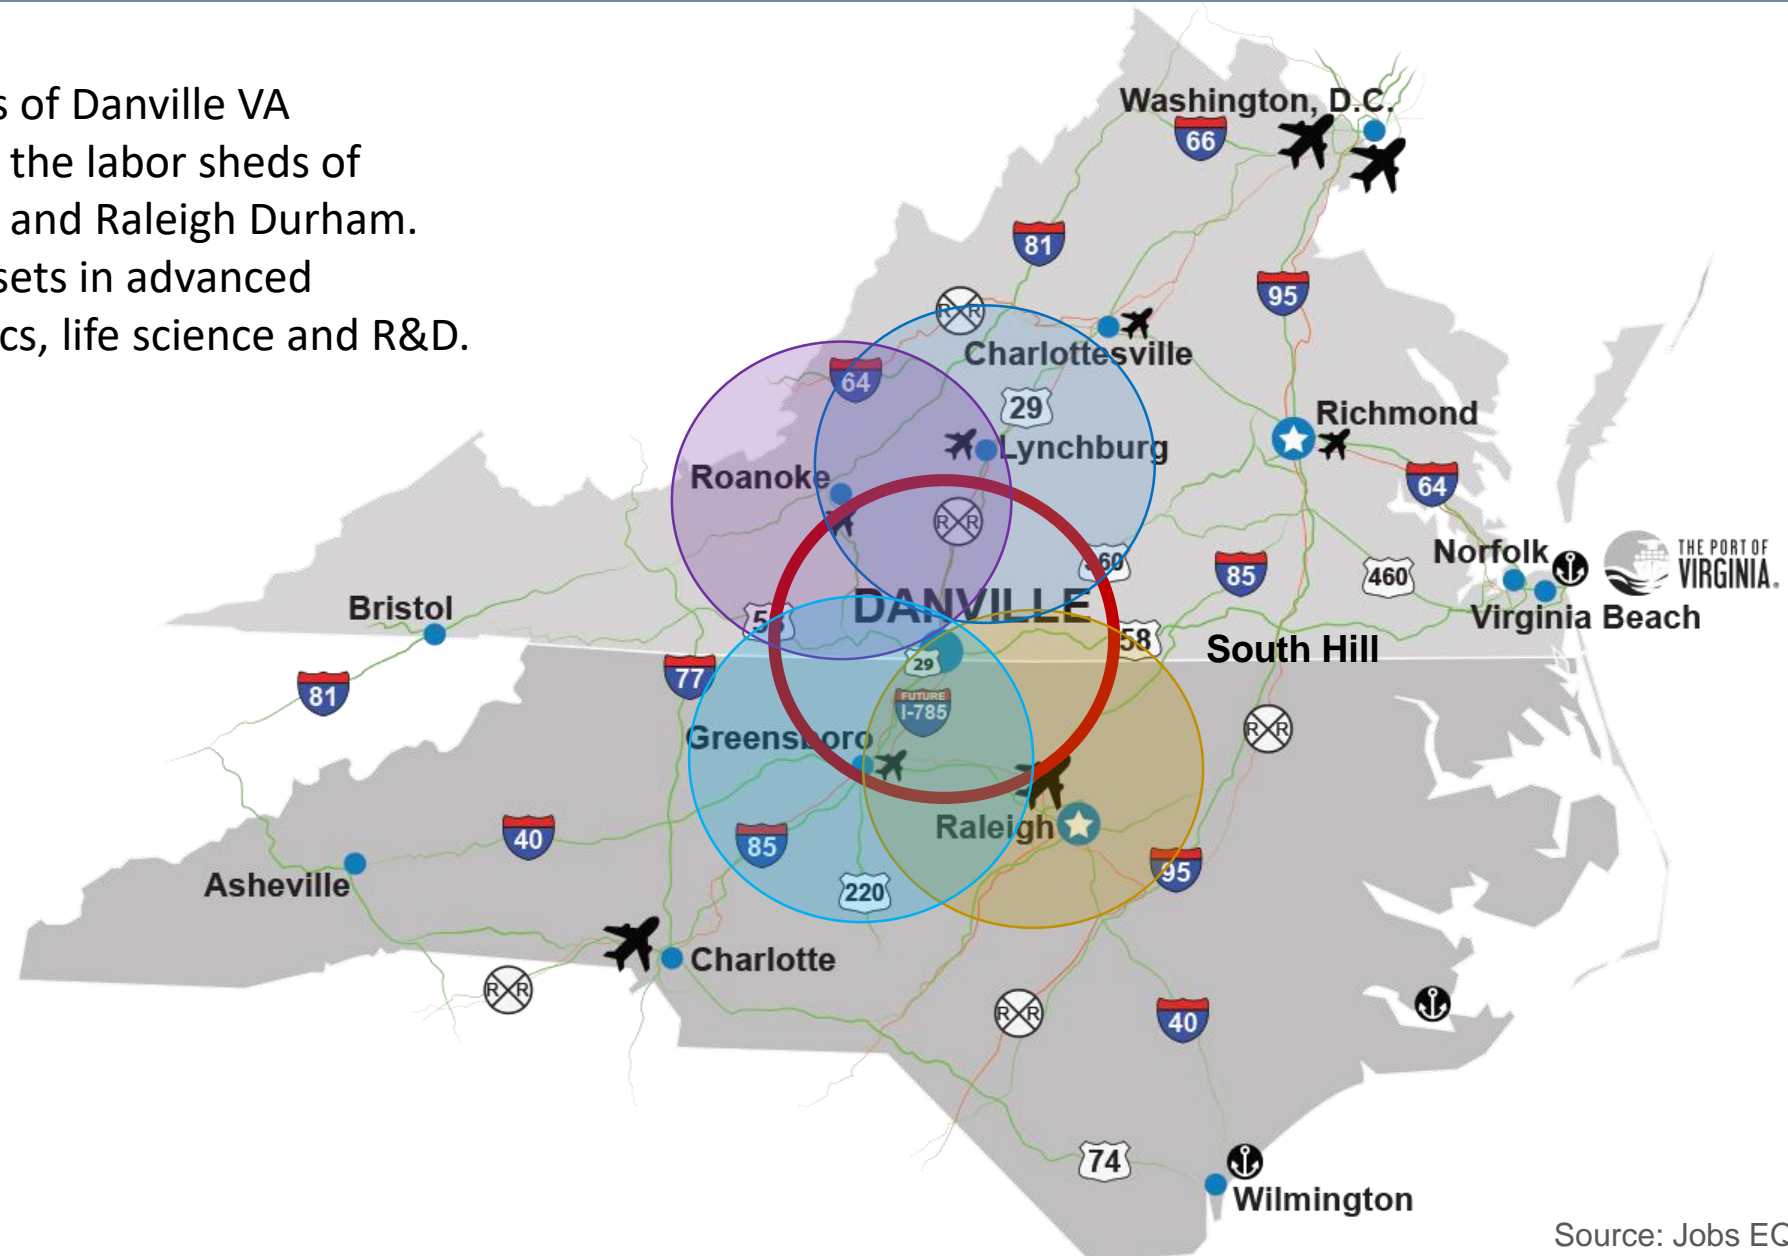

Labor Shed within 45 mile radius

The labor shed in a 45 mile radius of Danville VA (highlighted in red) overlaps with the labor sheds of Lynchburg, Roanoke, Greensboro and Raleigh Durham. This provides easy access to skill sets in advanced manufacturing, nuclear/electronics, life science and R&D.

Region	Labor Force
Danville	367,808
Lynchburg	188,402
Roanoke	341,281
Greensboro, NC	837,822
Durham NC	1,168,253

Skilled

Our strategic initiatives ensure a pipeline of manufacturing talent

- **Middle School (Ages 11-13) GO TEC Career Connection Labs**
 - Exposing middle school students to machining, welding, IT, healthcare, robotics, mechatronics and advanced materials.
- **Secondary School (Ages 14-18) Advanced Manufacturing Certificate**
 - University Credit, Industry Recognized Credentials, Dual Enrollment
- **Two-year Technical College Precision Manufacturing Technology**
 - University Diploma, Advanced Industry Credentials
- **Advanced Manufacturing Training Integrated Machining Technology Program**
 - University Degree, NIMS Certifications, Yellow Belt – Six Sigma Certification, Lean Flow Cell, Manufacturing, Principals

Research, Training & Higher Education

Averett University

For more than 150 years, Averett University has served the Danville community. Averett is a private nonprofit, four-year liberal arts university that provides over thirty undergraduate majors, minors and special programs, and five Master's programs. Averett provides cultural entertainment opportunities through theatre, music and arts. Averett also provides an array of NCAA athletics.

The Institute for Advanced Learning and Research (IALR)

Serves as a regional catalyst for economic transformation. IALR provides optimization of processes and launch space for manufacturing in the region as well as applied research and customized industry credentials. IALR focuses on Applied Research, Advanced Manufacturing, and Advanced Learning and supports economic development research.

New College Institute (NCI)

NCI's Center of Advanced Manufacturing provides technology education, manufacturing training, and consulting services. Their advanced manufacturing team, innovative solutions, and low cost pricing helps companies of all sizes access the training and pipeline development needed to remain economically competitive.

Southern Virginia Higher Education Center (SVHEC)

Provides college and career training opportunities and short-term hands-on credential based training in information technology, mechatronics, and welding. R&D Center for Advanced Manufacturing & Energy Efficiency provides technology adoption, custom production runs, and applied research.

Growing International Community
